

SPONSORING DEPARTMENTS FOR COURSES WITH DISTANCE EDUCATION COMPONENTS

This combination report is the result of concatenating data generated by our web survey, AOCE, UOnline/TACC, Utah System of Higher Education State Board of Regents Report, and listings supplied by numerous individual departments, programs and colleges.

We are able to identify 55 sponsoring department for 296 unique course offerings. The itemization spans Summer Semester of 2006 to the Spring Semester of 2008.

The University of Utah has 19 colleges, 95 academic departments, and 20 interdisciplinary programs. Using academic departments and interdisciplinary programs as a base (n=115), approximately 48% (n=55) of these entities provide course work and events containing distance education components.
