

March 5, 2008
IT Managers Meeting
HSEB Rm 1730

12:15 pm: Pre-meeting Vendor Presentation - New Horizons Computer Learning Centers

Windows Server 2008 Certifications

Microsoft has released a set of new classes to give you some hands-on experience with the new Server 2008 product. This is your opportunity to get a feel for WS 2008 certifications and classes.

Paul Burke and KC Furniss will be discussing the new Microsoft certifications and answering questions about upgrading your certifications.

New Horizons will be providing lunch.

The regular meeting begins at 1 pm.
