This meeting will be held mainly to provide updates on the various projects that the committee has been working on over the summer. A special thanks to our executive guests for taking the time to come and meet with the committee.

ITAC is also being held tomorrow at 2:00 PM in the Eccles Broadcast Center, to accommodate committee members who are also members of ITAC we will wrap things up by 1:50 pm. Plan on additional meetings within the next month to resume discussion and work on the wireless issues that the committee has oversight for. Thanks again to everyone for their dedication and contribution to the tasks of the committee.
