How to Sign up? ...Q & A

How do employees activate new lines with T-Mobile?

To join T-Mobile as a new customer or to activate a new line on an existing account, please call **1-866-464-8662, option 3**. Handsets ordered through this number will receive the maximum discounts and offers. This program is not offered in any Retail Store. Handset discounts and accessory promotions are not valid in Retail locations or online outlets.

***Reference "University of Utah" as your employer and promotional code: 3318TMOFAV.** Employees are required to provide two forms of identification. Example: work email address, employee ID number, or work phone number.

What if I am already a T-Mobile customer and want to add the discount?

You may be eligible for a 15% monthly discount on recurring charges. Please note that not all rate plans qualify and a 2-year agreement extension may be required. To find out if you qualify, please call the migrations line at 1-877-453-8824 (to add the discount, only). Be sure to reference "State of Utah" as your employer as the main contract is listed under the state.

If you would like to add a new line to your account, please call the 866 number above for the best promotional offers, your discount will be added when you activate the new line.

What about family members?

Family member's lines are eligible as long as they are on the same account as the Employee or the Employee is listed as an authorized user on the family members account. (The account holder will need to add you to their account via customer care)

What about customer care?

If you are a current T-Mobile customer and would like to learn out about the latest rate plan options or upgrade your handset(s), please reach out to our Customer Care team at 1-800-937-8997.
