As part of upgrades to PeopleSoft systems, the Campus Information Services (CIS) portal will be unavailable on Friday, February 8, 2019 from 6:00 p.m. – midnight. This maintenance is necessary to keep University of Utah systems current and running efficiently, and takes advantage of the latest patches and enhancements.

**Note:** Individual applications will still be available. A splash page during the maintenance window will instruct CIS users on how to access the most commonly used university applications like Kronos and Canvas.

If you have questions, your local IT support staff may be able to assist, or you may contact your respective help desk: UIT Help Desk at 801-581-4000, option 1; ITS Service Desk at 801-587-6000.

Please visit the University IT Services Status page for information during this and future maintenance events.
