Due to a planned PeopleSoft upgrade, several production environments and applications will be unavailable on Saturday, March 23, 2019 from 6:00 a.m. – 6:00 p.m. This infrastructure maintenance includes bug fixes, security patches, and application enhancements necessary to keep University of Utah systems current and running efficiently.

The following systems will be **unavailable** during this planned outage:

- Campus Information Services (CIS)
- PeopleSoft Campus Solutions (HE) and related web applications
- PeopleSoft Financials (FS) and related web applications
- PeopleSoft HR and HR/Auxiliary web apps (e.g., campus directory, OSL)
- Degree Audit Reporting System (DARS)
- Ad Astra room scheduling system
- Credit card system (e.g., UMarket)

The following systems will be **available** during this planned outage:

- Kronos
- Canvas
- UMail
- utah.edu
- Faculty Activity Report (FAR)
- Password change tool, Forgot your password

**Note:** To report Plant Operations customer emergencies during the outage window, please call 801-581-7221.

Thank you for your patience as UIT makes this important upgrade.

If you have questions, your local IT support staff may be able to assist, or you may contact your respective help desk: UIT Help Desk at 801-581-4000, option 1; ITS Service Desk at 801-587-6000.

Please visit the University IT Services Status page for information during this and future maintenance events.
