UIT Strategic Goals FY24-27

UNIVERSITY OF UTAH MISSION
The University of Utah pursues excellence in education, research, service and patient care. We’ve become a top 10 public university with unsurpassed societal impact by inspiring student success, innovating to create new discoveries, and serving every Utahn. This matrix summarizes the foundational pillars, strategic objectives, targets, initiatives, and metrics that maximize our impact.

UIT MISSION
(1) To support the university mission encompassing teaching, research, public life, and health care while ensuring long-term viability of the university
(2) To provide timely, secure, reliable information, communication, and technology services
(3) To extend access to university resources to a diverse constituency regardless of time, place, or device

UIT VALUES
• We seek effective solutions that meet the needs of the university community, save time and money, innovate, and improve processes
• We solve problems through a consensus-driven, collaborative, best practices approach
• We provide secure, reliable access to information and services
• We protect university data and systems while respecting our community’s reasonable expectation of privacy
• We keep our commitments
• We value teamwork and the contributions of our employees and the U’s IT community
• We value open, honest communication, and we listen
• We are fast followers in exploiting leading-edge technologies

UIT VISION
A trusted partner and leader transforming information technology services and solutions.
